With reference to the letter as mentioned above, the para-wise reply of RTI application of Sh Talish Ray is as below:

1. MTNL received a copy of the order of interim injunction by the High Court of Madras with an enclosed letter from M/s RK Productions Pvt. Ltd. having their office at 16/5, Rajamannar Street, T. Nagar, Chennai-17, containing a list of the Websites to be blocked.
2. Same as at Sl. No. 1 above.
3. The copy of letter and the HC order received are enclosed herewith.
4. As MTNL Delhi is not having any URL filtering tool to block the URLs, no blocking could be done at MTNL Delhi. However, as MTNL does not have its own international Internet bandwidth and has hired the same from the Bandwidth providers viz. M/s Bharti Airtel Ltd. and M/s TCL and since the High Court Order was addressed to them also, the URLs and /or the Websites might have been blocked at their end resulting in the automatic blocking of the same for MTNL's customers.
